

Fundraiser

Reminder, all orders for our Fall Fundraiser will need to be returned by November 6. This will allow all orders to be available for delivery by November 20. The proceeds for this fundraiser will be placed in our Student Activities Fun. This money is used to enrich our students' educational experience by providing resources for various programs and events. These events include, but are not limited to prizes for our Character Education program, which recognizes and rewards students for demonstrating positive behavior and values. It also supports special events like the STEAM Museum, where students engaged in hands-on learning activities in Science, Technology, Engineering, Arts, and Mathematics.
