

E-Learning Speech-Language Resources

Dear Parents and Guardians,

In preparation for E-Learning days, the following are some resources for you to use at home to promote your child's speech-language skills. Please try to complete one or two of the activities with your child on each established E-Learning day or anytime. This is to be proactive and provide you with a variety of resources for you to help your child practice speech and language skills during E-Learning days.

Please feel free to contact me if you have any questions.

Thank you.

Janet Love Trout, MS, CCC-SLP
Speech-Language Pathologist
