

Growth Mindset

The Khan Academy website contains a very interesting and intriguing interview that Sal Khan had with Carol Dweck regarding “Growth Mindset” (the first link below). It is a fascinating concept with tremendously positive and powerful potential and implications for school, home, families, community, and the world. Below are several excellent links that will hopefully help us all inspire everyone upon our paths – including ourselves – to learn about and apply the “Growth Mindset” to our daily lives by embracing our mistakes and learning from them to help us become even better tomorrow than we are today!
