July 30, 2021

Dear Parents:

As you know, last year was trying for everyone in our school family, including students, parents, and school employees; however, I was very pleased that we were able to maintain in-person learning for almost the entire school year.

Last year's CCS Roadmap served a very useful purpose as we navigated the pandemic. The Roadmap was a lengthy and very comprehensive document. This year, with the easing of some state and federal mandates, we were able to develop a much smaller document. The CCS 2021-22 Reentry Plan also provides more options for parents and gives them more ownership over some of the Covid-19 decisions they choose to make for their children. It is important to understand that the present situation is still very fluid, so revisions to the reentry plan could be made throughout the school year. If you have specific questions about this school year or the reentry plan, please contact your child's school.

We certainly look forward to seeing our students on August 9! I hope you and your family enjoy the remaining days of summer break!

Sincerely,

Jeffery D. Fritz
CCS Superintendent
