Adjectives, Adverbs, prep phrases Grammar Test

Field Trip Information

Students will be traveling to see Dumbo this week on Wednesday. No money is needed for concessions as the students' tickets included a snack and drink. Lunch is at Monical's pizza and then the final destination is the Allen Memorial Planetarium.

Class Website

You can find all kinds of information on our class website. The weekly newsletter will be listed as well as the unit review for reading. There are a lot of great links that can be used to reinforce concepts that we are learning in class. You can access the webpage through the clay community schools webpage.

ILEARN

Students will be gearing up for the first ILEARN state test starting April 22. You and your child can get on the Indiana Department of Education to view released practice tests. Students have also been practicing through assigned edulastic quizzes that are set up similar to the real exam to practice using computer navigation as well as the rigor of the test.

Just a reminder that when a student is absent it is their responsibility to make up the missed work. For each day absent they have one day to make up.

We are learning:

Math- Students will continue working Indiana chapter of data analysis. Students will be reviewing mean, median, mode, range, line plots, stem and leaf plots. By the end of the week students will begin our study of geometry.

Lang. –We will do a daily grammar review and then the test will be Friday. Focus this week will be on identifying adjectives, adverbs, and prepositional phrases.

Spelling- Unit 6 Week 1. Test on Thursday. Please Spellingcity.com at home to practice.

Reading –The reading story is “Austin’s Amazing Bats”. The focus skills this week will be drawing conclusions while reading.

Soc. St. –Students will take an open book test on Unit 4 of the American Revolution. Then we will begin Unit 5 on Building a New Government.

Health- Students are finishing up chapter 10 Dealing with Feelings. Open book test will be scheduled for Friday.

Please make sure students are keeping up on homework each evening. Also a great review when no homework is assigned is utilizing the IXL website for review in reading, grammar, and math.
