

# 5th Grade News

Week of September 3, 2019

## Week at a Glance

Mon:  
Tue: Ch 1 Math Test (place value)  
Wed: Greek & Latin Test (mono)  
Thur: Midwest Region Test  
Spelling Test - Unit 5.1.2  
Fri: Un 1 Wk 2 Reading (text features and making inferences)  
Un 2 Wk 2 Dependent & Independent Clauses

## Reminders

With trying to align our curriculum with Indiana standards and the ILEARN test more assignments and assessments (given during school hours) are utilizing our laptops in the classroom. This will also help to better prepare students as they transition to North Clay, and are expected to do work online. Due to this, there will not be as many graded assignments being sent home. You can find these graded results of assignments in Powerschool Gradebook. If you do not have logon in, contact the office and Mrs. Fox can get the information needed to set up your account. There is an app available that is very easy to use (once you have a username and password). Students can see their work through Google classroom any time after an assignment has been returned.
