Reminders

Testing schedule this week -

Due to Labor Day being Monday we will move a few tests around. The testing schedule for this week is located above in the Week at a Glance section.

Spelling Tests - With this new reading series we have decided to go a new direction with our spelling tests. The spelling tests are now given as a select the correct spelling (multiple choice) type test, instead of the traditional hear the word, spell the word test. This new format of testing aligns better with the state standards and how spelling is handled on state standardized testing. Students still will need to study weekly, and spelling city is a great tool online to use for studying.
