Tues

Wed: Greek & Latin Test on -port words

Thurs: Spelling Test Unit 5 week 3

Fri: Un 5 Wk 3 Reading test
Grammar Test

For Your Information:

Google Classroom

I am now using google classroom to make online assignments for student to complete in class. Some of the activities we complete online are weekly reading tests, comprehension reading passages and questions to answer, IXL, and I can even link videos and websites for students to view and practice grade level content. Students are also able to access google classroom at home with our classroom code if they need to work on a project or work when absent. Students set this up at home by using their username@clay.k12.in.us and then their password. The classroom code is [mlphmt](#).

Classroom Behavior

I have been having some behavior problems with students “goofing off “in class and not getting work done. Some are not focused and are choosing to chat or entertain peers. We have a month till we will be testing for the ILEARN new state testing. The material that we are covering are all standards that need to be mastered. We must push on to learn content. Please remind your child of your expectations for behavior and academics, so that we may work together as a team to strive to reach our goals. Remember to check agendas and the remind texting for homework. Don't forget to check My Portal on the grade book to see missing and late assignments. Thanks for all your support in helping us “Bee the Best that we can Bee”!

We are learning:

Math- Students will complete Chapter 11 lessons 4-10 on converting math problems in length, weight, putting data on line plots, and converting metric units.

Lang. – This week students will be practice identifying and using adjectives of this, that, those, these

Spelling- words with Greek parts. Test Thursday Unit 5 week 3.

Reading-Our story this week is “Talk with an Astronaut”. We will practice on identifying authors purpose in writings and the word analysis this week are words with Greek/Latin roots.

S.S. – Students will continue to learn the causes leading up the Revolutionary war, the Declaration of Independence document, and the important influences in the war.

Science/Health- Students are learning about the moon phases, finishing up the solar system by completing a project called Planet Postcards on google classroom. Then we will begin the unit of study on our Dealing with Feelings

This is Sprit Week: Monday-Team Day Tuesday-Twin Day Wednesday- Dr. Seuss/Crazy Sock/Who-Hair Day Thursday- Pajama Day Friday-School Spirit Day
