## Testing

When testing students, I will get kids out of the car in the drop off line on DAVIS. You will wait outside and need to be waiting there in your car when the student is finished. Testing takes about 25 minutes. I will bring them back outside to you when finished. If you cannot attend your assigned time, please reschedule ASAP.

## Remind App

I will use the Remind App a lot this year. It's a great way to communicate by text message. I use it during the day and will also have office hours after school. Directions get the Remind App are on the back. This will make it much easier for us to communicate! Please sign up for this by the end of next week. 8/20

## Extra Information

- Students can bring a **water** bottle with them in their backpack each day if they need a drink. We cannot use the water fountains this year.
- If you have not sent in an extra change of clothes to keep in your child's backpack please do so by the end of next week (8/19).
- Please do not send toys in your student's backpack as they are not allowed at school.
- Some students sent headphones and/or school boxes with your child. Preschool does not need school boxes or headphones since we do not do testing on the computers. You may keep those at home.
- Students will be able to go to the gym this year so students will need gym shoes. Gym shoes should be Velcro/non marking tennis shoes for P.E. and they will be left at school.  
(Shoes do not have to be new, just clean without rocks or dirt on the bottom.)
