Reading log

If you are not reading 20 minutes each night with your child, please begin doing so. I know it requires a time commitment, but it allows them to learn to track print, turn pages and even start to recognize words. These pre-reading skills will help them as they learn to read. Purple reading sheets need to be signed and returned on Monday (unless absent) or they will not count toward our class total or your child's total.

Disinfecting Wipes

We do our very best to keep germs away in our classroom by practicing good hygiene habits, but we still use many disinfecting wipes. We are almost out of those wipes. If you would be willing to donate some disinfecting wipes to our classroom that would be greatly appreciated.

Pajama Day

We have earned enough feathers for a pajama day. Please see the back for more information.

Closings and Delays

Please be sure to keep up to date with closings and delays as the weather is unpredictable.

Pajama Day

Due to good behavior students have earned a pajama day on Thursday, January 23, 2020. They have earned many feathers and will also be allowed to bring a stuffed animal that is small enough to fit in their backpack. We will have a time of sharing. Please remember students may bring slippers in their backpack, but must wear their regular shoes coming in the building.
