## Spellingcity.com

- Don't forget about this fun spelling website! I upload our spelling words and the kids can get on here and play fun games to review their spelling words for the week!

## This Week's Focus

**Reading**- This unit, we will be focusing on literature. Specifically, Folktales, Fables, and Tall Tales and what makes each of them different from the other. We will also continue to find answers to questions explicitly in the text and using the RACE acronym to answer questions completely.

**Language**- This week we are reviewing adjectives and adverbs.

**Writing**- This 9 weeks we will be working on Informative Writing - picking topics that we can give FACTS on! We will do a type of research report at the end of the 9 weeks!

**Math**- This week we are now focusing on how to put fractions on a number line and label them all by ourselves.
