NWEA Testing

NWEA winter testing will begin this month. Third graders will be testing on the following dates: January 11th, 21st, and 25th.

This Week's Focus

Reading- For Unit 9, we will be focusing on play and poems. Students will identify the different parts of a play and poem as well as identifying different types of figurative language within a play.

Language- For Unit 9, we will focus on comparative and superlative adverbs and adjectives.

Writing- We are going to be working on persuasive writing for the third 9 weeks of school. We will primarily be doing that in class, but some of our completed writings will be coming home.

Math- For Unit 9, we will continue to focus on fractions. Students will be solving to find equivalent fractions on a number line as well as ordering fractions in sequential order.
