Although the break was such a nice time to spend with family and rest, it is time to get back to work.</p> <p>We are learning about SMART goals in assembly this week, and I know that we all seem to be inspired during this time of year to make positive changes. One goal we have for third grade is to win the Golden Book for the most reading slips returned. The only way we can do this is to have every student turn in the pink slip, signed, on Friday! Reading for 20 minutes each night is always homework and will help us all become better readers. We will challenge ourselves as teachers to do the same!</p> <p style="text-align: right;">Thank you, Mrs. Clark & Mrs. Sutherland</p>
