We will be testing March 17-19. It is imperative that students arrive at school on time during the testing window. Please try to avoid making appointments during this time as well.</p> <p>Parents, please plan to participate in the 2020 Census. The Census numbers impact federal funding of schools and programs like Title 1, special education, before and after school programs, and school nutrition. All these programs benefit from federal dollars so an accurate Census count will help our ESE students become successful.</p> <p>Kindergarten Open Registration March 31 and April 1 (9:00-11:00 each day). Children must be 5 before August 1, 2020. Parents should bring the following items for registration: official birth certificate, immunization records, social security number, and proof of address. Students must register in the school district they reside in. Students will be given a short assessment during registration.</p> <p style="text-align: right;">Thank you, Mrs. Clark & Mrs. Sutherland</p>
