

You have indicated that you would like your child to participate in Dots for Dollars. Please send in a \$5 deposit, and we will send home the Dots for Dollars card, so they can start raising money. We ask for a \$5 deposit because the cards cost us \$5 each. Some years we have sent them home with students and the students did not raise any money nor return the card, which cost the 5th grade fund to lose \$5 per card. If your child raises over \$20 doing Dots for Dollars we will return your \$5 deposit.

Thank you,

5th Grade Teachers
