Reading Test**

Grammar: Adverbs/You’re the Teacher

Social Studies: Unit 6, Slavery and Emancipation

Spelling: Greek Word Parts

Go to www.spellingcity.com/alorenze for extra practice on the words each week.

We have started using Google Classroom some at school. If you have internet access at home (either through a phone or computer) you can access it. The students go to: classroom.google.com. They log on by using their school username with @clay.k12.in.us after it and their school password. They are all a member of Mrs. Lorenze’s class. You will see some assignments we have done at school on there.

MR. DYER AND MRS. LORENZE

5th Grade News
