March 18-March 22

Report cards are being sent home. Please look over your child's card and go over any area that has a check minus or minus. Also, look ahead to the last nine weeks to see what your child must know for the final grading period. It is important to talk with your child about their card and their progress. Please let me know if you have any questions or concerns. I would be happy to talk or meet with anyone. Sign the report card envelope and keep all papers inside.
