

Kindergarten News

March 2-March 6

The students have been working very hard. They are really starting to sound out and read words more fluently. It is important that you read with your child at home. I will begin report card testing this week. The end of the grading period is March 10th. Also, please make sure your child is bringing their backpack and red folder each day. This helps them to be responsible and helps us communicate with one another.
