News:

- We will finish testing up this week. Thank you for your support in making sure students have been in attendance and on time each day. Let's finish the year strong!
- PROJECT- Students are bringing home information about our science project that is due on MONDAY, MAY 6. Project must be completed at home with no help. Students also have the rubric for grading.
- Note the dates as the side as we have a very busy time of year starting! Note that the program was rescheduled.
- We will be reading the story from last week this week and have a test on Friday. We will have our spelling and YTT on Friday this week due to testing.

Thought for the Week: "GO GREEN GIANTS! DO YOUR BEST on that ILEARN TEST!"

Word of the Week: Perseverance

Talk Time Challenge: We are working to improve our talk skills in a world that is full of technology! Here is a talk topic for you to chat about this week:

Topic- - What are some ways that you will persevere here at the end of the school year?

What's Happening this Week

Grammar: Paragraphs Review

-We are working on grammar review on IXL.

- YTT 4.6– Reminder that we work M-W whole group and this comes home to study on Wednesdays!

- YTT Quiz on Thursday

Writing: Testing

-RTI: No RTI- Testing

Math: Review

- We will be reviewing at the end of the week once testing is finished. Next week we will start our last unit.
- Our focus for problem solving is working with multiple step equations.

Reminder:

Please continue to check your child's folder each evening for math homework. Thank you for your support in making sure this is complete with ALL work shown each evening.
