Math Check –Thursday

## News:

I have had some questions about fluency. Your student will have a fluency sheet every week. They should read it every night and complete the back side. This should stay in their folder all week, on Fridays they read it to me one-on-one. They advance as they get more fluent with sight words.

Thanks

Reminder: Please send in earbuds for your child, if you have not.

Also, agendas should be signed every night.
