News:

Attendance Reminder: Please have your students here to school on time. When they come in late they miss out on our reading block or practicing reading skills in the morning.

Every day students come to school on time and everyone is here, we get a letter to spell Reach. When we spelling REACH students get a popcorn party. We have had perfect attendance 6 out of 20 days. I am hoping our class attendance will improve. Missing school reflects on your students school work and over time can show gaps in their learning. Thanks, Ms. Laue
