

# Third Grade News March 16-20, 2020

We will be taking IREAD 3 this week. We wanted to remind you that state law says if students do not pass the IREAD 3, they will not be promoted to 4th grade. They will have an opportunity to attend summer school and retake the IREAD 3 test. We had discussed all of this information at parent/teacher conferences in October. If you would like to set up a conference at any time, please feel free to contact us.

Please make sure that your child is here on time everyday the week of testing. We will be starting as soon as class starts at 8:05am. Thanks for your help!

\* We will not send home a newsletter on March 20. We will send one home when they come back from Spring Break!
