

Third Grade **News** **Sept. 16-20, 2019**

We are working hard and covering new skills every day. We are still struggling with talking and showing REACH expectations in the classroom.

It is important that your child is here everyday and on time. When a child misses a day of class, he/she misses a lot of instruction, which is crucial to do well on standardized tests. We want to keep our attendance rate up. Thanks for your help!

*On September 18- a planned eLearning Day is scheduled. Students will not come to school on this day. A packet will be sent home with them on Tuesday, September 17. They will need to complete this packet and return it to school.
