

# Third Grade News January 27-Jan. 31, 2020

Please continue to work on your multiplication facts. This is a third grade standard that they are to master for this year. If they do not know multiplication, they will have a difficult time in learning division.

NWEA testing will begin this week. We will be testing on Wednesday. We will test Reading this week. Please make sure that your child goes to bed early and gets to school on time so they can start their day off right! Thanks for your help.

Our Valentine Day parties will be on Feb. 14. Students will be allowed to bring in Valentine's Day cards for their classmates. A list will be going home soon along with students who signed up to bring in treats for our parties.

Here is our special class schedule for the year!

MONDAY- MUSIC- Madsen P.E.- Thompson

TUESDAY- P.E.—Madsen Music- Thompson

WEDNESDAY- Art- Madsen Computer-Thompson
