Please read this story with your child. A new one will come home each week on Fridays.)

We will have our second spelling test next Friday! List number 2:

### *Math:*

\*review addition

\*counting by ones (goal is to 100)

\*subtraction using objects to count and take away

### *Extra Notes:*

\*It's almost time for report card testing again already! Some things to practice at home would be: letters and letter sounds, saying words that rhyme, counting syllables in words, sight words, counting by ones and tens to 100, recognizing and writing numbers to 20.

\*I am excited to begin spelling tests with this class! It will not count for a grade, but will be good practice for phonetic spelling, our sight words, and for first grade. Please try to practice the words with your child at least one evening.

\*Don't forget to keep reading for Book-It. When you read ten books with your child, send back the form to receive a certificate for a free personal pan pizza from Pizza Hut.

\*\*Have a great weekend!
