Extra Notes:

*We will be taking the NWEA reading and math tests again next week. Please try to have your child at school on the days we test unless they are ill. They do so much better when they take the tests with our class rather than taking them on a different day. I will send the results home when all the testing is complete.

*Our Valentine Party will be on Friday, Feb. 14. I will send home a list of names if you would like to fill out Valentines with your child at home. We now have 28 students in the room. I will also send home a reminder of who signed up to send items for our party. The list of names and reminder sheet will come home the first week of February.

Have a great weekend!
