*review subtraction

*review tens and ones ($13=$ one group of ten and 3 ones)

*greater than, less than, or equal to

Special Classes

12:15-1:05

Monday & Tuesday:

Music/P.E.

Wednesday: Art

Thursday: Computer

Friday: Library

*Library books are due on Wednesdays.

Extra Notes:

*Please continue to practice the sight words at home. We have several children that do not know all of the words I have sent home. The words you should have at this point are: I, am, the, a, to, we, he, she, with, they, have, like, look, me, my, you, see, of, do, is, that, little, for, are, that, and do. It is very important that they know these words before they go on to first grade.

*It's almost time for report card testing again! Some things you can practice at home would be: sight words, sounding out 3-letter words, days of the week, months, 3-D shapes (cube, cylinder, cone, and sphere), and addition/subtraction using numbers up to 10.

*Have a great weekend! Mrs. Maurer
