Stories for the week

Classroom stories: *If I Could Go to Antarctica*: retelling, review: character, setting, author, illustrator, main idea, fiction or nonfiction, compare/contrast

Take home story: *The Fun Trip* (This story will not come home until next Friday so we can practice reading it at school this week. Please read this story with your child. A new one will come home each week on Fridays.)

We will have our second spelling test next Friday! List number 2:

- | | | | | |
|--------|--------|--------|--------|---------|

Math:

*recognizing numbers 0-20

*using ten frames; tens and ones (14 is one group of ten and 4 ones)

*decomposing numbers up to ten ($7=4+3$ or $7=2+5$)

*money; pennies: solving a story problem using pennies

Extra Notes:

*We will be taking the NWEA reading and math tests at the end of the month. Please try to have your child at school on the days we test unless they are ill. They do so much better when they take the tests with our class rather than taking them on a different day. I will send the results home when all the testing is complete.

*We will have our second spelling test next Friday. These will progressively get more difficult as the year goes on to prepare for first grade! Please try to help your child practice the words a couple times at home. We will practice at school, but some of the kids will need more practice.

Have a great weekend!
