ATTENTION! ATTENTION! READ ALL ABOUT IT!!

We will be celebrating on Monday how proud we are of all the students for earning another letter A for our school, because of all their hard work in class, attendance, and on state testing! We have lots of fun activities planned for them to enjoy all day long!

Please encourage your child to continue practicing IXL and typing.com skills to prepare themselves for the new ILEARN state test. We are continuing to discuss with the students about the new expectations of the state test and preparing them to focus and do their best.

We are still having some trouble with students not turning in homework, class work, and being disorganized. Please encourage your child to be responsible for their class room materials and getting their homework complete and turned in on time.

As always, let us know if you have any questions or concerns.
