WEEK OF: Sept 16-20, 2019

CLASS Updates

This Wednesday, Sept. 18 is our eLearning day for Clay Community Schools. Students will NOT be in attendance on this day. However, all elementary students will have a packet of work they are to complete and turn in by the assigned due date.

We are working to schedule Parent Teacher Conferences which will take place Thursday, October 10 after school. We try our very best to schedule a time that works best for you. We have already reached out to parents asking about preferred time slots. Times are filling up quickly! If you know of a time that will NOT work for you, please be sure to reach out to your child's teacher.

As always, if you ever have questions or concerns about your student, please contact your child's teacher.

hey you
