### A Look Ahead

**\*Reading** – “What’s in the Egg, Little Pip?”.

Realistic Fiction. We will have a comprehension test on Thursday and another over everything we have covered through the week on Friday.

Vocabulary – oval, waddle, huddles, penguin, flock

**\*Spelling** – words with lobe *e*: *ee, ea, ey, y*. The words and sentences are on the back. We will have a pretest Wednesday over the words and dictation sentences. If your student gets them all correct, they do not have to take the test on Friday!

**\*Math** – Ch 4: Subtraction of 2 digit numbers. Test Friday. We will have a fact page each day for homework as well as the regular math. Study those addition and subtraction facts!

**\*Shurley** (Language) –Singular and Plural; Common and Proper

**\*Science** – Earth, Sun, and Moon Relationships

Thank you to the volunteers that helped with the Fall Party today!
