any	come	play
-----	------	------

- We will introduce these sight words:

her	how	down
-----	-----	------

- Our "stories of the week" is THE HAT and THE MITTEN by Jan Brett.

Homework

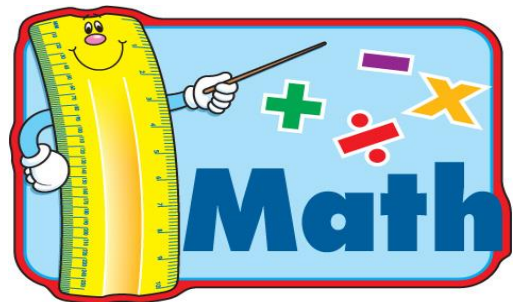

Book bags will come home on Monday. Please have your child read/practice each thing in the bag each evening. Keep this bag at home until Thursday morning. Sign the "log sheet" inside the bag indicating that your child practice each evening. Send the bag back to school on THURSDAY morning!

Our spelling tests will change a little during the second half of kindergarten...

- This semester, students will have five words and one sentence to spell instead of six words.
- During the first semester of spelling tests, I have said the word, said all of the sounds in the word, and then said the word again when giving the test. THIS SEMESTER I will NOT be saying the sounds in each word during the test. I will only be saying the word and the students will have to be able to say the sounds themselves and write the word.
- We will continue to have a practice test on Wednesday and a final test on Friday. If your child gets everything correct on Wednesday, he/she does not have to take the final test on Friday!

zip	zag
Zac	quilt
quiz	Do not quit.

- We will write numerals in snow! (WHAT? No snow??? We will make a snowy shaving cream blizzard ☺!)
- We will continue to practice simple addition and subtraction problems!

Did you know?? Each time students return completed book bag homework, they earn points to use at our reward store!!
