- Connective tissues

P.E. is on Monday

Library is on Tuesday

Art is on Wednesday

Computer is on Thursday

Music is on Friday

More information  
on back

## ILEARN

We will soon know our ILEARN testing schedule. The students have worked so hard for this exam. They are ready to prove themselves. Stay tuned for testing dates. :)

## Signing Agendas

Signing agendas may seem like one more frivolous task that could be eliminated, but it is actually very important. A quick signature lets me know that you have read your child's homework for the day and you are aware of our activities. This is also where I write notes to you. Please continue to sign your child's agenda on a daily basis. :)

## Smorgasbord

On April 18th, We will be accepting donations for a spring smorgasbord. If you are willing, you may send treats in on Thursday. If you choose to send a drink, please stick to individualized containers only to limit spills. Thank you.
