  - tie
  - light
  - backpack
  - outside
  - lunchbox
- Please put on a coat when you play in the snow.

## Bonus Words

- roots
- flower
- stem
- leaf

## Classroom Happenings

We are going to have a fun, exciting remainder of the school year! We will begin our unit on plants and animal life cycles. Eggs will be put into an incubator, tadpoles will be changing to frogs, and caterpillars to butterflies! We will also have a lot of fun plant activities going on in the classroom.

We are planning a trip to the zoo on May 6. Permission slips are going home tonight! Payment of \$6 will need to be sent in sometime in the next month. Parents are welcome to attend our field trip but must drive on their own.

The cost for parents is also \$6 but they must also pay a parking fee of \$8 as they enter the zoo. You can plan to car pool to save!

End of the year assessments will begin the next few weeks. Please read with your child each night so they are ready for the reading on the assessments.

April 19 is Good Friday and school will not be in session. I plan to have a Spring Party on Thursday the 18th. I have lots of plastic eggs but will be asking

for donations of wrapped candy to fill the bags. I will also need a few volunteers to fill and hide the eggs. I will send a form home soon to sign up to help with the party.

## Important Dates

- April 16 Music program/STEM night at the park
- April 18 Spring party
- April 19 Good Friday—No school
- April 23 Chicks should begin hatching!
- May 6 Field trip to zoo
- May 16 Andrew's birthday
- May 18 David's birthday
- May 24 Isaiah's birthday
- June 14 Bentley's birthday
- July 9 Trey's birthday
