

Kindergarten Campers

September 9-13 2019

Reading

We are working hard learning and reviewing alphabet letters and their sounds. We are also learning lots of sight words. This week's letters are **Ss, Tt, Uu, Vv, and Ww**. Our sight words are **make, may, my**. **Please practice these words/letters daily.**

Grammar

CVC (consonant vowel consonant) words will begin to be our focus. We will also start to put the CVC (dog) words and sight words together. As we do this phrases and sentence will be formed.

Spelling

We would like for all students to be able to spell their first names correctly and working on the last name. If your child is not able to do this, please practice this at home. Sight words are also words that students need to begin trying to spell correctly.

Sight Words:

am, I, the, a, like, to, have, he, is, make, may, my, blue, red, orange, brown

Math

Skills- one more/ ten frames

Monday- one more

Tuesday- diagrams

Wednesday- ten frames (6, 7)

Thursday- ten frames (8)

Friday- ten frames (6,7,8)

Science/Soc. St./ Health
