

Hello, my name is Mrs. Amy Kaufman and I am the music teacher at Staunton, Van Buren and Forest Park elementary schools. I am a lifetime resident of Clay County. My husband Brian and I have two sons. My oldest son is a sophomore at Butler University and our younger son is currently a seventh grader at North Clay Middle School. I graduated from Northview High School and Indiana State University. I have a bachelors in elementary education. I am currently in my 21st year of teaching for Clay Community Schools. I enjoy teaching music and watching children have fun while learning.
