Late Work: Tomorrow will be the last day to turn in any late work from the 3rd nine weeks. Assignments not turned in will receive a 0 - at the moment they are not in the grade book and are not being averaged into the students' final grades.

Keep it up! It is hard to believe that we have reached the last quarter of the year. We have had a great year and I am sure we will end the year strong! Make sure you continue to study for tests and give your best attitude and effort on all your assignments and tests!

March Mathness: We are deep in a month long class contest to see which team will be our IXL Math Champions! We are currently in the pool play rounds, and toward the end of the month we will be have a bracket tournament crown our math champions. Last week we completed 11,500 5th grade math questions! Everyone has been an asset to their team and many students even worked on this at home, and it really helped their team out. I can't wait to see what our total this week will be.
