

Don & Marilyn Putoff Memorial Scholarship

This scholarship was established in the winter of 2019 to honor lifelong Clay City resident and local businessman, Don Putoff. Don graduated from Clay City High School in 1953 where he excelled in basketball and baseball. After graduation, he declined numerous offers to play basketball across the country. Don continued to work to help support his widowed mother and three siblings. He was the owner of Standard Oil Gas Station in Clay City before he was given the opportunity to purchase the Chevrolet dealership in 1967. Don would remain the owner of this business until he retired in 1999. Additionally, he maintained ownership of the local auto parts store for many years. Don loved Clay City, the local businesses, school, the summertime fair, and most of all, the people. He generously donated time and money to make the community better. Don was awarded the Clay City High School Distinguished Alumni award in 1999. Upon learning of this honor, he remarked "how can this go to me, I didn't even go to college". They assured him it was for someone who made a difference, college was not a requirement. Marilyn, Don's wife, passed away in March 2021. Don was the love of her life as they were married for over 50 years.
