HIGH SCHOOL SENIOR SCHOLARSHIPS

SHARE THIS

\$3,000 each

Annual Application Deadline: May 1

Scholarships are awarded for the academic year

following

the application deadline and beginning with the fall semester.

Four one-year \$3,000 scholarships available to high school seniors about to enter full time into their first year of college in a

pre-engineering, engineering, or engineering technology program leading to a bachelor's degree in a course of study that traditionally has been a preparatory curriculum for the HVAC&R profession. Applicants must be high school seniors with a cumulative Grade Point Average (GPA) of at least 3.0 on a scale where 4.0 is the highest and/or a class standing of no less than the top 30% and accepted into an engineering, pre-engineering, or engineering technology program at a post-secondary educational institution that meets at least one of the following criteria:

the institution hosts a recognized ASHRAE student branch ASHRAE Student Branches
the program is accredited by the Accreditation Board for Engineering and Technology (ABET)
www.abet.org or the Partnership for Air-Conditioning, Heating, Refrigeration Accreditation (PAHRA)
the program is accredited by an agency outside the USA that is a signatory of The Washington Accord or
The Sydney Accord
the program is accredited by an agency that has a signed Memorandum of Understanding with ABET.

For a list of accredited programs or schools with an ASHRAE student branch, click on the links provided above.
Contact 678-539-1120 (direct) with questions.

Instructions and Application

Applications and the following documents must be submitted on or before the application deadline to receive consideration:

Official transcript of grades. Transcript must either be mailed, sent through an online electronic transfer service, or directly from your registrar's office on your behalf. Photocopies will not be accepted.

Letter of admission to a post-secondary educational institution

Three signed letters of recommendation as follows: one from an instructor or school advisor, one from a current or past employer, and one from another character reference (other than a family member).

SOCIETY SCHOLARSHIP APPLICATION

PLEASE READ ALL INFORMATION PRIOR TO SUBMITTING APPLICATION

Scholarships are awarded for the academic year following the application deadline beginning with the fall semester. All applicants must be high school seniors about to enter full time, or undergraduate students currently enrolled full time, in a pre-engineering, engineering, or engineering technology program leading to an associate's or bachelor's degree in a course of study that traditionally has been a preparatory curriculum for the HVAC&R profession. All applicants (including re-applications from former scholarship applicants and recipients) must meet current scholarship criteria (listed below):

- A cumulative grade point average (GPA) of at least 3.0 on a scale where 4.0 is the highest and/or a class standing of no less than the top 30% evidenced by an official transcript of grades or written statement from a school administrator.
- Three letters of recommendation including one of each from:
 1. An instructor or faculty advisor
 2. A current or past employer
 3. A character reference

In the case of schools with an ASHRAE student branch, a letter from the faculty advisor of that branch may be one of the three letters of recommendation.

Visit ashrae.org/communities/student-zone/student-branches for a list of ASHRAE student branches.

- Potential service to the HVAC and/or refrigeration profession.
- Financial need.
- Excellence, Character, and Leadership qualities.
- Service to the community & others, and/or extracurricular activities. This can include participation in the arts, music, athletics, volunteerism, environmental/humanitarian groups, or other service organizations.

If you are applying as a High School Senior and under the age of 18, please complete the **Parent Authorization Form**. This can also be found using the link below.

Visit www.ashrae.org/scholarships for complete eligibility requirements & list of scholarships.

APPLICATION DEADLINES:

December 1 for Undergraduate Engineering, Engineering Technology, Regional/Chapter & University-Specific Scholarships.

May 1 for Freshman Engineering & High School Senior Scholarships.

All required materials must be submitted (or postmarked) prior to the deadline.

(1) Complete and submit an online application. **(2)** Request an official transcript of grades be sent by the institution directly to ASHRAE (Attn: Savanna Smith/Scholarship Administrator, ASHRAE, 180 Technology Pkwy., Peachtree Corners, GA 30092 or, via email to Savanna Smith ssmith@ashrae.org). Mailed transcripts must be mailed and post marked on or before the deadline. (For high school and first-year applicants: If college grades are not available by the application deadline, have your high school submit an official high school transcript and have verification of enrollment or letter of official acceptance sent from a your intended post-secondary educational institution.); and **(3)** Remind those writing your recommendations that reference letters must be signed, and dated, and then sent directly to ASHRAE (Attn: Savanna Smith/Scholarship Administrator, ASHRAE, 180 Technology Pkwy., Peachtree Corners, GA 30092 or, via email to Savanna Smith ssmith@ashrae.org).

It is suggested that you prepare your essay question responses in a separate Word document and copy/paste your response in to the application to avoid potential document saving issues.

The use of AI of any kind is strictly prohibited. If any AI use is suspected, your application will be removed from the evaluation pool indefinitely.

If a field does not apply to you, please write "Not Applicable" (NA).

FINANCIAL NEED

FINANCIAL NEED

Why should we award this scholarship to you? Please justify financial need.

Are you currently receiving any scholarships or grants?
(If yes, please list source, amount, and for how many semesters)

Yes No

Have you been awarded any scholarships or grants for the upcoming academic year?

(If yes, please list source, amount, and for how many semesters)

Yes No

GPA and Transcript Conversion Only for students not on a 4.0 grading scale.

In addition to submitting official transcripts, if any of your transcripts use grading scales that are different from the U.S. 4.0 grading scales, you must complete a GPA Conversion using the Scholaro link below:

<https://www.scholaro.com/apply/ashrae>

If you are submitting both high school and college level transcripts, please complete a separate conversion for each transcript. This can be completed after submitting this scholarship application but must be received by ASHRAE before the scholarship deadline.

In submitting the GPA conversion report, you are responsible for verifying and ensuring the accuracy of all information entered. **Any discrepancies that are found between the official transcript and GPA conversion report will be considered grounds for disqualification from the ASHRAE Scholarship Program.** If you discover an error, you must immediately contact Savanna Smith (ssmith@ashrae.org) and report the error.

OPTIONAL

If you have any additional information or personal statements you would like to provide, please list them briefly in the textbox below.

VALIDATION: In submitting this application, I believe all of the above information to be true and complete and I hereby apply to ASHRAE for a Society level scholarship. I certify that I am at least 18 years of age or older (or submitting a completed Parent Authorization Form) and not receiving full funding for my education from an employer, any branch of the Armed Services, or any other organization. I authorize ASHRAE to obtain and review my academic records (including but not limited to official transcripts). By submitting this application, I agree to hold ASHRAE harmless from any and all liability for damage, injury, or loss sustained by myself in connection with this application, including but not limited to, the acquisition by ASHRAE of my academic records.

APPLICATION DEADLINES:

December 1 for Undergraduate Engineering, Engineering Technology, Regional/Chapter & University-Specific Scholarships
May 1 for Freshman & High School Senior Scholarships

Submit one application and all supporting documents and inquiries to:
