

NOAH COLBURN

2025 SCHOLARSHIP APPLICATION

Noah Colburn passed away unexpectedly on March 2, 2017. He was a fun-loving boy whom always enjoyed a prank here or there and loved his family unconditionally. During our time of need, many family, friends and people in the community came out to help and support us. For this reason, we plan to give back to our community by offering a yearly scholarship in Noah's memory.

One of the qualifications for this scholarship (and the main deciding factor on receiving this scholarship) will be writing an essay. Thinking back in 2017, for the ones that remember Noah, please share a memorable story of Noah or someone you lost close to you. Secondly, we would like you to dig deeper into what the importance of family is in each person's life and how one can handle the loss of the person you wrote about. We would like for you to research how one can find resources to help cope with loss and how you could involve this into your life. This needs to be an in depth, well thought out essay that touches on all aspects of the loss of close friends or family. Also, include what your plans are for the future and the steps to get there.

We will award a \$3,000, one-time, non-renewable scholarship to three graduating seniors from Clay City High School. This senior will need to have a GPA of at least 2.0 and must have the best written, well thought out essay. We would like to see some really interesting essays that have had some thought put into them.

ALL APPLICATIONS NEED TO BE RETURNED NO LATER THAN APRIL 25TH, 2025

If you have any questions concerning this scholarship please see the guidance office.
