

e-Learning Activities for 5/15/20

Parents, I tried my best to put these activities together so that you can do these activities at home with your child with things you have around the house. You can click on the underlined texts below to link you to the websites you will need. I am also including the website in case it is easier for you to copy and paste the website.

Literacy/Language Arts

Scholastic Reading/Book Study <https://classroommagazines.scholastic.com/support/learnathome/grades-prek-k-week-3.html> **10 minutes**

This link will take you to a great resource from Scholastic. Scroll down to Day 15: Science – What is Rain? Click on ‘Take me there’. There you will be able to read a short book to them and they can watch another. Scholastic has some great resources to work on vocabulary (Word Match) and sequencing (Which Came First?).

Middle Vowel Sounds **5-8 minutes**

<https://in02200674.schoolwires.net/site/handlers/filedownload.ashx?moduleinstanceid=17200&dataid=17418&FileName=circle-the-short-vowel.pdf>

After students sing the vowel song, help them complete the page in the link. If you have a printer, you can print the worksheet or you can just look at it on the computer. Let students try and figure out each picture on their own, but you can certainly help if they are having trouble. Really try and stretch out the middle sound for them. Haaaaat. Ask them what vowel sound they hear in the middle of the word. Then have them circle it or point to it on the computer. Have them tell you what vowel it is and what vowel sound it makes.

Vowel Song <https://www.youtube.com/watch?v=4TjcT7Gto3U> **2 minutes**

Click this link and students can practice their vowel sounds.

Math

Calendar <http://more.starfall.com/?t=291200204&nrb=1&y=1> **2 minutes**

Click on this link. When it takes you to the website, click on the picture of the calendar at the top right next to Seasonal or it will be located under the 4 ‘I’m Reading’ button.

Days of the Week <https://www.youtube.com/watch?v=FCqIzpY11hM> **2 minutes**

Have students practice singing their Days of the week. They should be able to sing them correctly for you by this point in the year, but if they need help you can listen to this song as a reminder.

Months of the Year <https://www.youtube.com/watch?v=aOY5YuBgUHg> **2 minutes**

Have students practice singing their Days of the week. They should be able to sing them correctly for you by this point in the year, but if they need help you can listen to this song as a reminder and dance the Macarena with it!

Count Up and Down with Objects **5-7 minutes**

<https://www.mathgames.com/skill/P.11-count-up-and-down-with-objects>

This game allows kids to count how many and then identify more objects, fewer objects or the same number of objects.

If your child likes these games, or you want to practice other math skills this website has a lot of great skills to practice. <https://www.mathgames.com/pre-kindergarten>

Get Moving (Optional)

Scratch Garden – Dance Freeze Song https://www.youtube.com/watch?v=A1vdKfXIB_g

This cute little video allows kids to do some fun movements and follow directions.
