February 2025

Dear Parents,

February 28, 2025

Time is flying by and the month of February is no exception! We began the month with a successful Career Day. Parents representing different careers presented our students with insight into these positions. Their involvement is highly appreciated by our entire school! As the month winds down, we will have Very Important People (VIP) Day for kindergarten. VIP days are a good time for students and their VIPs to spend time together and for the students to show off their classroom to those important to them.

Second and Third Grade students will be taking the IRead-3 assessment during the first week of March. This is a state required assessment. Parents of students who are taking part in this assessment will be provided information concerning the test, results, and any further action that may be needed.

The JTE PTO Spring Carnival is fast approaching! The carnival will be Friday, March 28 from 5:00 to 7:00. The JTE PTO has sent information home this week about the carnival. We are looking forward to this event!

As we transition to Spring, it is important to remember that if the temperature allows and it isn't nasty wet outside, we will be going out for recess. Students should be dressed appropriately for the weather conditions.

Finally, since flu season doesn't seem to want to end, both students and staff need to be more vigilant when it comes to washing hands, using hand sanitizer, etc. Our custodial staff is working hard to keep surfaces clean and disinfected. I encourage you to stress to your children the importance of keeping their hands clean so that they will have a better chance of staying healthy and not missing school.

Sincerely,

Brad Ennen
JTE Principal
